

Love Liverpool!

Places Of Interest Shopping Restaurants Contact Us

navbar to be fixed top.
(for wireframe
purposes this will only
be on this one slide.)

Hero image of Liverpool
here to cover the entire
first screen, maybe of the
docks. Use my own photo
for the site if i am able to
reuse them from MS1. If not,
use image sites and
provide credits.

Welcome to Love Liverpool!

Text box with
small overview of
site, button below
for first webpage.

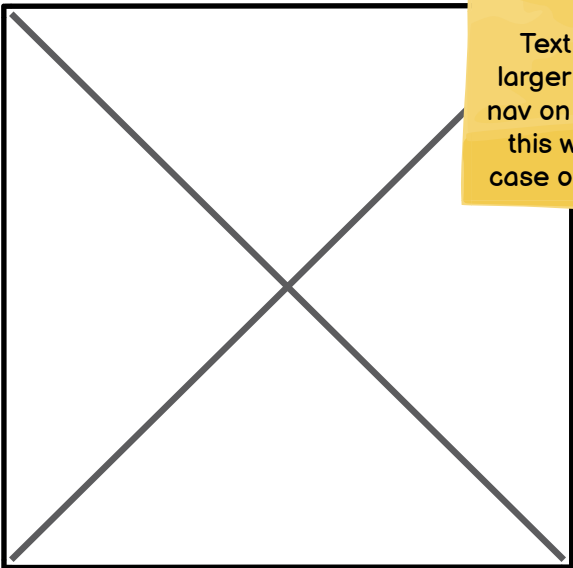

Welcome to Love Liverpool!

Bit of text and maybe a button
here that will take you to the
first page of the website.

Explore!

Places Of Interest

World Museum

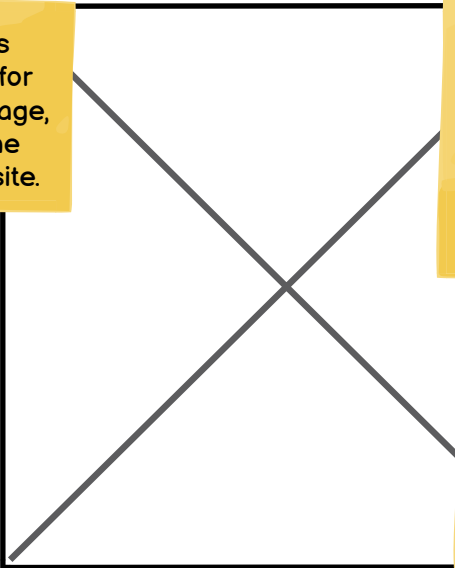

Text size here is larger than used for nav on previous page, this will not be the case on the final site.

Walker Art Gallery

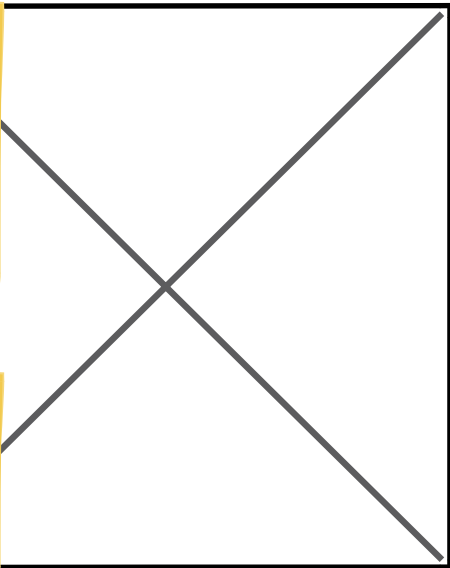

An image of each of these places of interest will be taken from image sites and credited. Text below to give overview, may put a button in place and show/hide when button is clicked.

Buttons will either lead to show/hide function with info and a link, or just be a link to the official websites of said POI.

Shopping!

Maybe have
some text
here as an
overview of
shops in
liverpool with

Liverpool One

Lego Shop

Footlocker

Hugo Boss

Hollister

Liverpool City Centre

Schuh

Primark

L'Ocitane

H&M

Google maps, maybe have dots
already on map of a selection of shops,
or have some examples on left with
links that when clicked, bring the shop
up on google maps. Or both.

Restaurants

Same as page before.
"Favourites" listed or
"recommendations". Maybe
each restaurant name can go
to the official site.
